Tools used to quilt this project:

Westalee Design Ruler Foot to suit your machine

Westalee Design 12" Arc Template (that comes with your Westalle Ruler Foot)

Westalee Design 4" Arc Template (that comes with the sample pack)

Westalle Design 2" Circle Template (that comes with the sample pack)

Assembly Instructions:

Take the four 2" black squares and mark a diagonal line from corner to corner.

Lay the four squares at each corner of a dark blue square as shown.

Sew on the marked lines.

Pg 2 Instructions for Trade Winds Table Mat

Press the black triangles to the corners and trim the underneath two layers of fabric to 1/4".

Take a medium blue triangle and sew light triangles to either side as shown.

Make 8.

Sew two triangle sets together. Make 4.

Take the four 3 1/2" black squares and mark a diagonal line from corner to corner. Lay the squares on the corners of the 5 1/2" dark blue squares, and sew on the marked lines.

Press the triangles back and trim the fabric underneath to 1/4". Make 4

Lay out the blocks and sew together into rows.

Sew the rows together.

Trim the corners as shown.

Pg 3 Instructions for Trade Winds Table Mat

Layer the backing face down, the batting and the quilt top face up.
Baste.

Quilting:

Using the straight edge of the 12" Arc template, mark diagonal and horizontal lines on the center square.

Quilt the circle design using the marked guidelines. (see Westalee video for guidance)

Use the 4" arc to quilt arcs in the light blue triangles.

Use the curved edge of the 12" arc to quilt the curved cross hatching in the medium blue triangles.

Use the straight edge of the 12" Arc template to quilt two straight lines in dark blue in the corner squares.

Finishing the quilt:

Trim the quilt, remove basting stitches and add the single fold binding.
