Westalee Design Circles on Quilt - Westalee Design - Westalee Design 6 Point Crosshair Ruler
and Westalee Design Outer Rim

The Celtic Knot is a traditional design that has been seen since around 450 AD. Celtic Knots are traditional Irish, Scottish and Welsh symbols.
In this piece I have quilt to sizes of Celtic Knot.

Westalee Design Circles on Quilt - Westalee Design - Westalee Design 6 Point Crosshair Ruler
and Westalee Design Outer Rim

Mark 6 Point Reference Lines using the Westalee Design 6 Point Crosshair Ruler. Using the Outer Rim measure 3" from the centre as shown.

Mark a Straight line from point to point as shown.

Place the Locating Pin in **Pin 1** and using the Westalee Design Circles on Quilts Template stitch from Reference Line A to Reference Line B shown in **RED**.
Move the Locating Pin to **Pin 2** and stitch from Reference Line B to Reference Line C shown in **BLUE**.
Move the Locating Pin to **Pin 3** and stitch from Reference Line B to Reference Line C shown in **ORANGE**.

I Marked 3" out from the Centre and used a 5" Circle. Begin with the size you want and mark out from the centre and choose the most appropriate Circle size to quilt your own Celtic Knots Celtic Stars.

This image show the markings that were used.

To quilt the smaller Celtic Knot in the I marked a second Triangle 1/2" in from the first and used a 3" Circles on Quilts Circle.
