**The Ranges Quilt**  
is made using 25 Blocks

The Blocks are quilted using my **TempLeeQuilt** technique. TempLeeQuilting uses 3 layers of fabric  
Top Fabric - Feature Fabric and backing fabric

**Cut 25 18" x 18" Blocks from**

**Top Fabric** ( sections of this layer are cut away after quilting to reveal the feature fabric underneath)

**Fusible Web** (apply to back of Top Fabric)

**Feature Fabric**  
**Batting**  
**Backing**

Make quilt sandwiches in the order above.

Blocks are marked with a 15½" x 15½" square  
Most of the designs are marked with 24 Reference Lines using the **Westalee Design 6 point Crosshair Ruler** or **Westalee Design Ultimate 24 point Crosshair Ruler**.

There are some blocks that use 8, 16 or 48 Crosshair Reference Lines.

When the quilting is complete cut the blocks to 15½" x 15½" Square.

Sash the Quilt together using my **SashLeeQuilt** Technique.
