HOLIDAY SAMPLER SET #1
4 Piece Template Set

STEPPING STONES

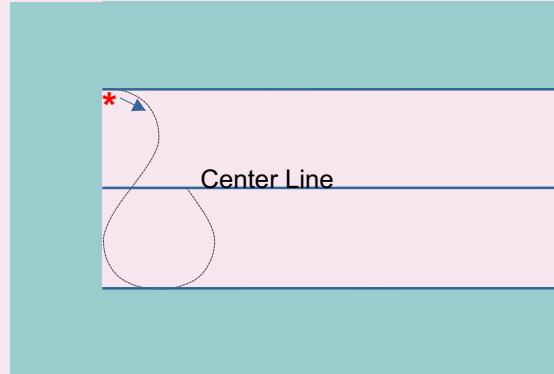

3\"/>

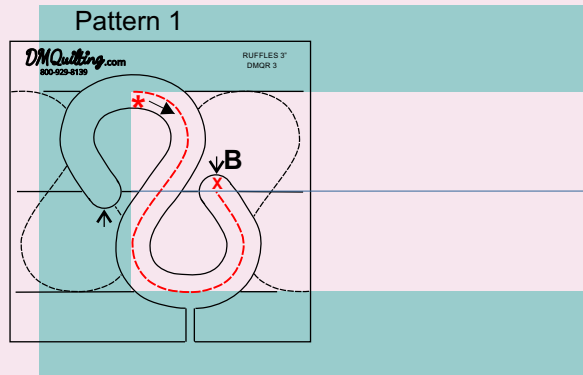

STEP 1

- Mark an alignment line horizontally through the stitch area for the RUFFLES. (A top and bottom line is helpful if not stitching between seams.)
- Position needle at the * and pull up threads. Leave needle lowered where stitching will begin.

STEP 2

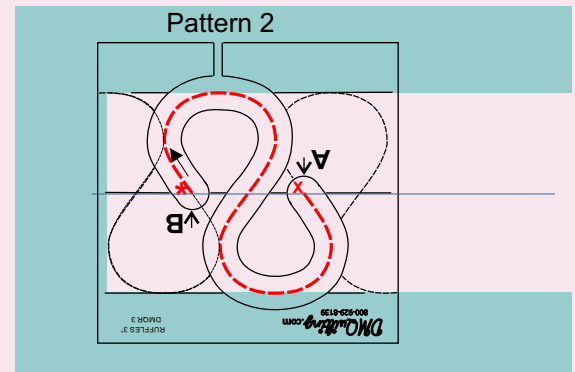

- Lift foot slightly and slide the template around the needle using the Easy Access THREAD SLOT.
- Position template by guiding it along the stitch path to the starting location at the *
- Follow stitch arrow until reaching the X at B.
- Stop with needle down.

Placement for Partial Pattern at beginning or end of a row

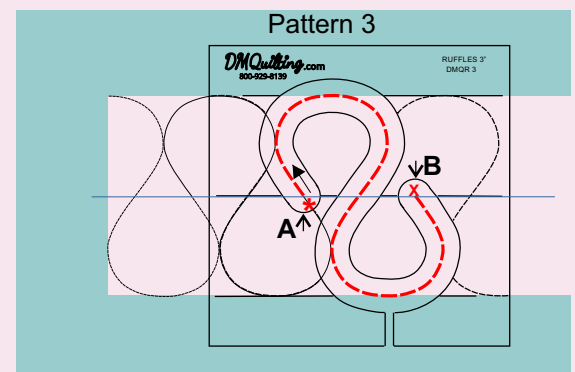

STEP 3

- After completing the first partial pattern in STEP 2, with template in place and needle still down at B, spin the template around to begin next pattern.
- Align template with marks and previous stitching.
- Follow arrow and stitch back to A.
- Stop with needle down and rotate template to repeat.

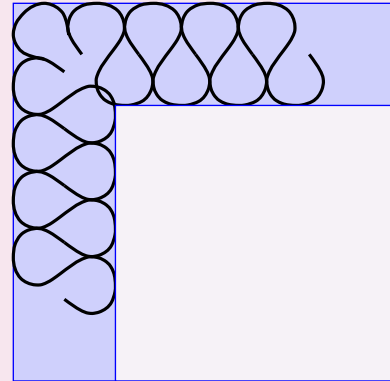

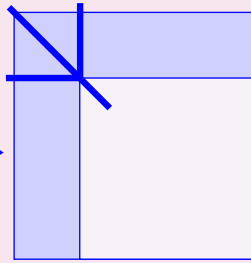

STEP 4

- Stitch continuously from A-B, then B-A etc., until all patterns are completed.
- For each stitched pattern in the RUFFLE strip, the direction of the template is turned to avoid traveling back through the stitch path.
- For additional rows follow the above directions to repeat as many patterns as

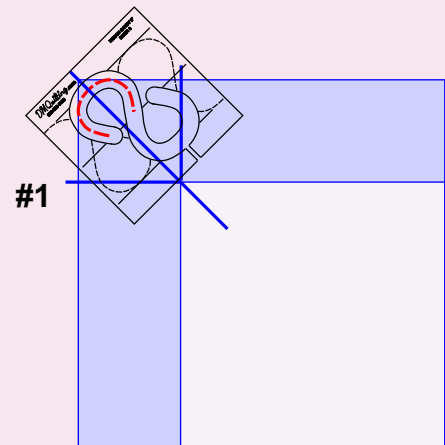

BORDER CORNERS

Mark the border corner with a 45 degree line and extend the seam lines straight out to edge of border. See diagram. Each corner unit will have 1 partial pattern or upper section that will connect between each full pattern along the sides.

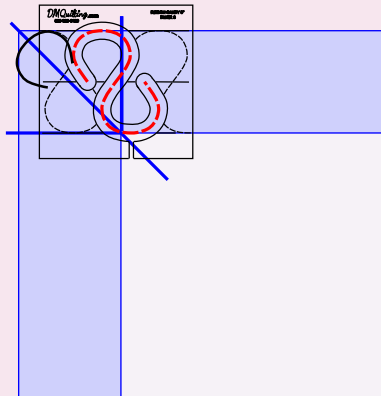

3"-6" Ribbon Candy

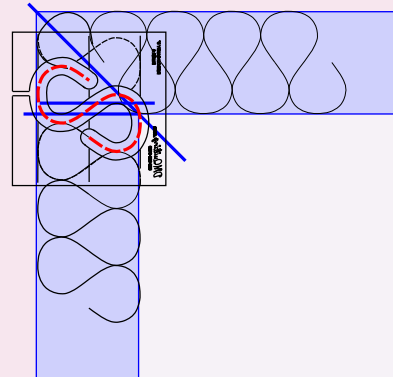

- Position template and stitch partial pattern as shown in diagram #1. Stitch from the corner outward toward the center until spacing is verified.
- Reposition template to stitch #2 and then #3.
- Depending on the length of each border strip, slight adjustments may be necessary as you near the center of the strip.

#2

#3

1"-2" Itty Bitty Ribbon Candy

- Stitching the 1" or 2" Ribbon Candy in the same manner above and rotate the template as needed to complete the full patterns.
