

HOLLY WREATH CANDLE MAT

Centerpiece approx. 16"x16"

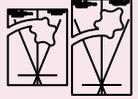

FABRIC REQUIREMENTS - 14.5" x 14.5" FINISHED

- Cut 1 each @ 18" x 18" min for Front, Back & Batting
- Cut 2 binding strips @ 2.5" x WOF

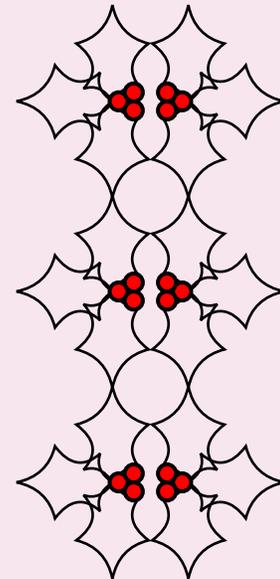

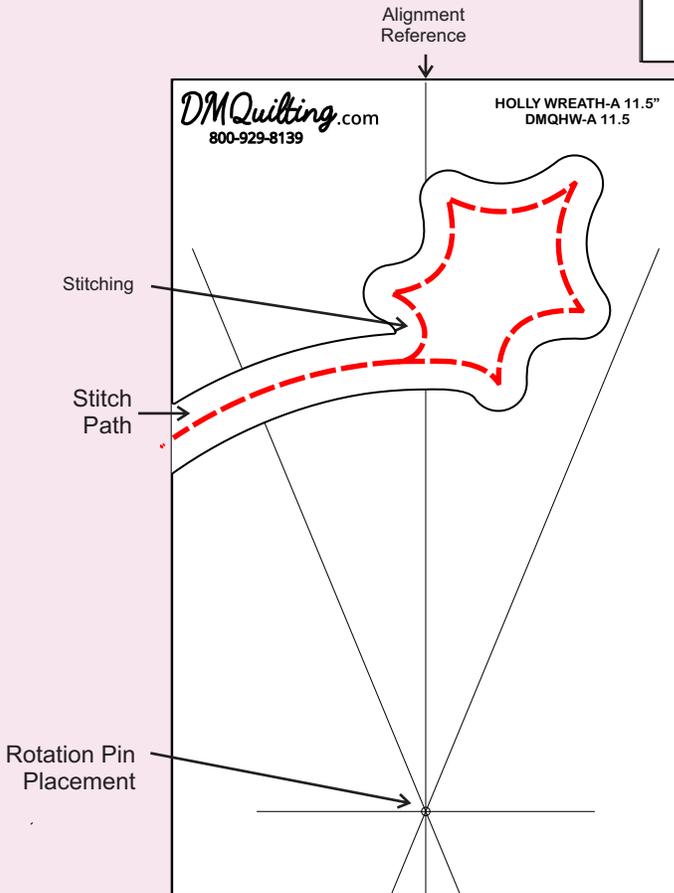

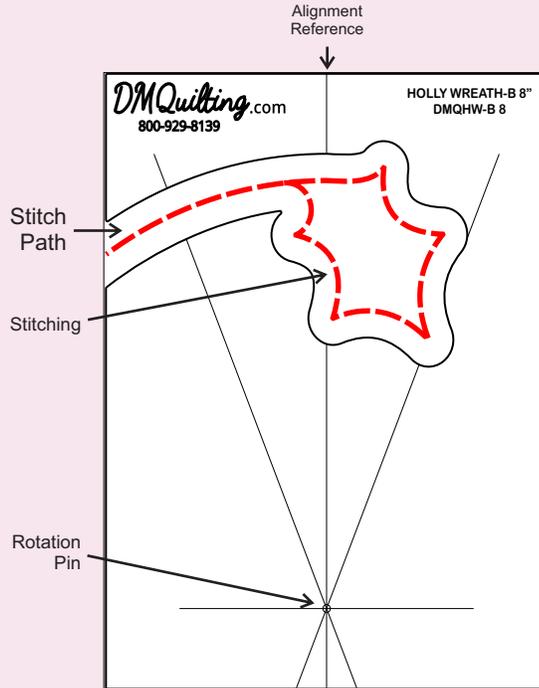

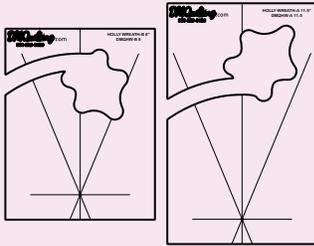

GENERAL GUIDELINES

- Layer quilt sandwich. Baste as desired.
- Mark and WREATH location for 12 rotations.
- Trim to 16" x 16". Attach binding.

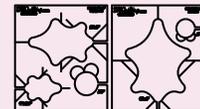

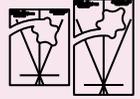

HOLLY WREATH SET 2pc

Overall 11.5" with Interior stitched circle at 8"

Complement your project with the
HOLLY LEAF SET 2pc
3 Sizes: 1", 2", & 3"

HOLLY WREATH SET 2pc
Inside 8" & Outside 11.5"

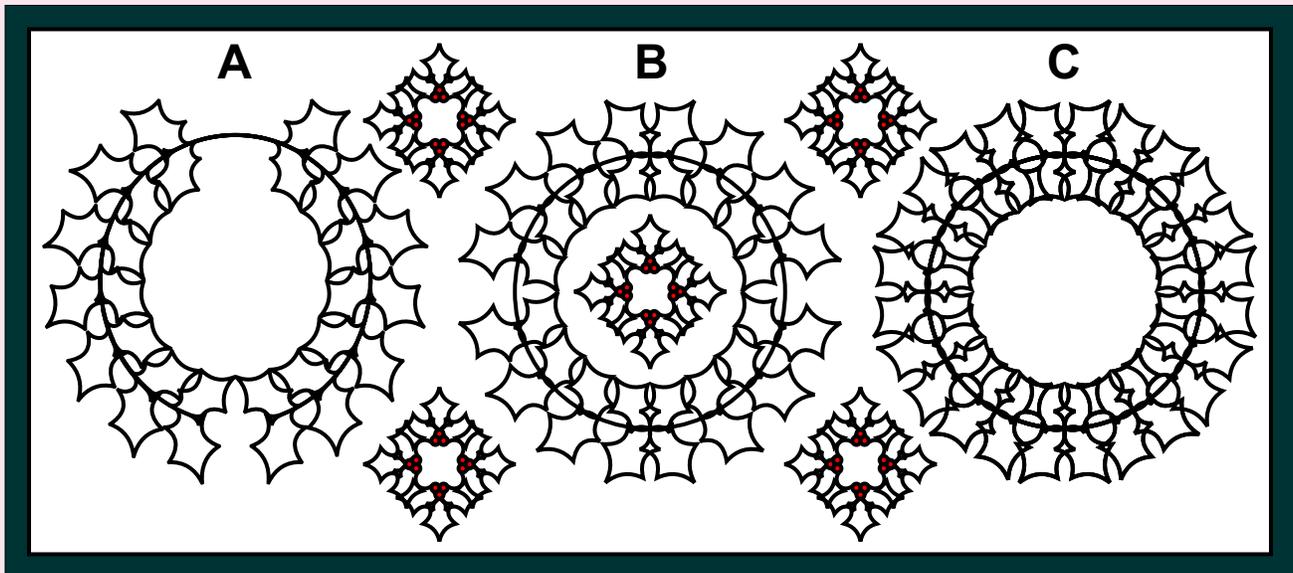

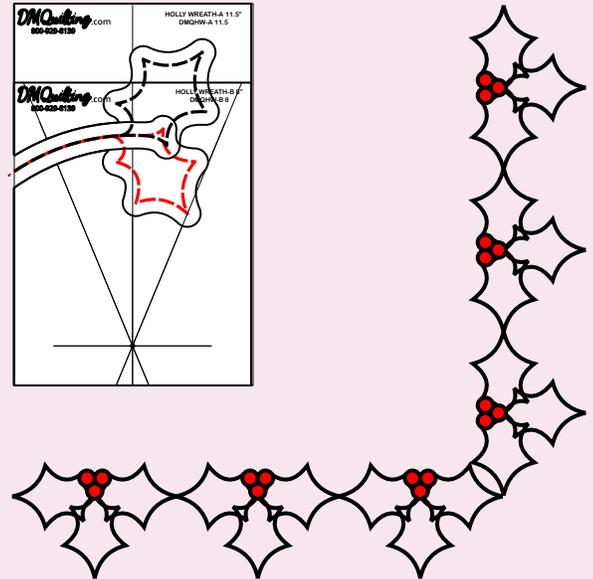

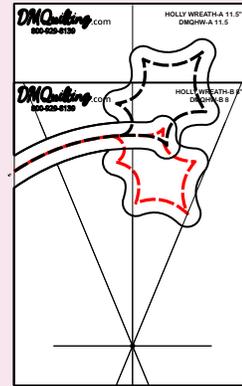

Optional:

- HOLLY LEAF SET, 2 pc
- 6-8 Pt Crosshair Marker
- Circleworks Outer Rim Marker

Create the WREATH using both Templates

- Determine Wreath Location. Mark with number of rotations for selected design. Insert rotation pin in center.
- Position Template onto pin and stitch pattern rotating and aligning to complete all needed rotations. Templates will automatically stitch the 8" interior circle.
- Remove and change Template to next size and repeat.
- Refer to diagram as needed.

See next page for Candle Mat design placement.

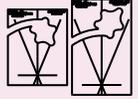

Designs A-C above, Mark 16 Rotations (Stable Tape on both sides of templates)

A - Skipping the uppermost mark, stitch remaining 7 marks working toward bottom center. Flip Template and continue stitching next 7 patterns leaving an open area at the very top.

B - Beginning at the top, stitch 4 patterns, flip the Template to stitch next 4. Repeat for opposite side stitching 4 patterns per section.

C - Stitch all 16 rotations, flip template and repeat creating the double leaf pattern. One direction can be eliminated for the center 8" section if desired.

Mark Design Center at 1" above project center,
Mark an 8" circle with Outer Rim Tool and 12 rotations
for alignment with 24-Pt or 6-Pt Crosshair marker.

Stitch 6 sets, skip bottom center for
berry/leaf cluster. Add small clusters in
corner as desired.
