

Back to School Mug Mats

featuring the Westalee
Apple Core Templates

Supplies Needed

Westalee Tools Used:

- Westalee Apple Core Templates
- Templee Fuse
- The Westalee Bound to Fit Tool
- Clover Chalco Liner
- Maybe some other arcs like the mini multi arc if needed and a Straight Ruler or the 12” Arc
- Sew Biz Centering Ruler

General Sewing Supplies

- 12” Square Fabric Sandwich with background fabric choice
- 6” Square Gold for A and the Plus Sign+
- 5” Square Red for Apple
- 4” Square Green for leaves
- Scrap brown for Apple Stem
- For applique – Top Threads should match your applique colors. (Gold will be demo’d in class.)
- 1 - 12” square of batting for Trapunto technique
- Printout of Letter A and Plus Sign sized to your preference (About 3” square)
- Printout of an Apple sized to your preference (About 3” square)
- Pencil
- Iron and Safe Surface for Fusible
- Scissor for Trapunto technique
- Thread for quilting. (50wt So Fine is used in the sample.)

***Free Apple Clipart was used for the sample and the Font was in Word and sized to what I needed by enlarging it.**

Learning Objectives

Topics

- Applique Techniques
- Using Template Fuse with raw edge Appliqué
- Trapunto techniques
- Navigating appliqué when using templates
- Cutting binding with the Westalee Bound to Fit Binding tool
- How to use the Apple Core Templates
- Binding Tips if time allows
- Lots of additional general quilting and sewing tips to improve your process

This is a very basic sample, but it allows an opportunity to try out several techniques in a small, low-cost format to see if they resonate with you. Hope you enjoy this class.
