Classroom & Sew Steady Page

SUPPLIES

- It is recommended that you at least have the Westalee Design Sampler Set. All other templates are a plus!
- A Hoffman Fabrics Dream Panel with batting and backing are necessary. (The addition of borders is optional and should be applied prior to class). Fabric kits will become available from Sew Steady soon.
- Thread to match or contrast. Multiple colors may be used but is not required.

Finished size approximately 40"x40" without optional borders

Class Fee: \$70 Includes: 13+ hours of an Interactive Designing Class, with built-in time for designing and sewing. Instructions, demonstrations and guidance for designing custom quilting on your Dream Big Panel is the focus of the class. You will have an opportunity to obtain answers to questions in real time and access to recorded sessions.

This class will be broadcast using the Zoom platform giving you an in-person experience from the comfort of your home.

Templates used on the Sample Quilt may be demonstrated and are not required in order to complete this class.
See next page for list of templates used.

Dream Panel Design Workshop

SUPPLIES

- It is recommended that you at least have the Westalee Design Sampler Set. All other templates are a plus!
- A **Dream Big Panel** is necessary and should be sandwiched and basted prior to class. Addition of borders is optional and should be applied prior to class.
- Fabric kits will become available from Sew Steady soon.
- Thread to match or contrast. Multiple colors may be used but is not required.

Templates listed below were used on the Sample Quilt shown in the photo and are completely optional. This is only a guide to what can be created on your quilt. We will work together to develop your designs with what you have.
