About the Designer: Diane Russell

Diane has been sewing for over 30 years and has been an instructor for 27 years. She has worked for and has extensive knowledge of Bernina, and loves surface design, dyeing, pickling, and painting fabric.

She has fallen in love with ruler work because of its precise and beautiful designs that can be accomplished on a domestic sewing machine. Her passion for ruler work created a "what if" moment. What if she combined ruler work with her first love, creating art quilts? And so it began, many sketchbooks and color designs later, she is introducing her first line of rulers, "Butterflies & Botanicals" with Sew Steady.
